# Falcon Coin – Fintech Of The Future

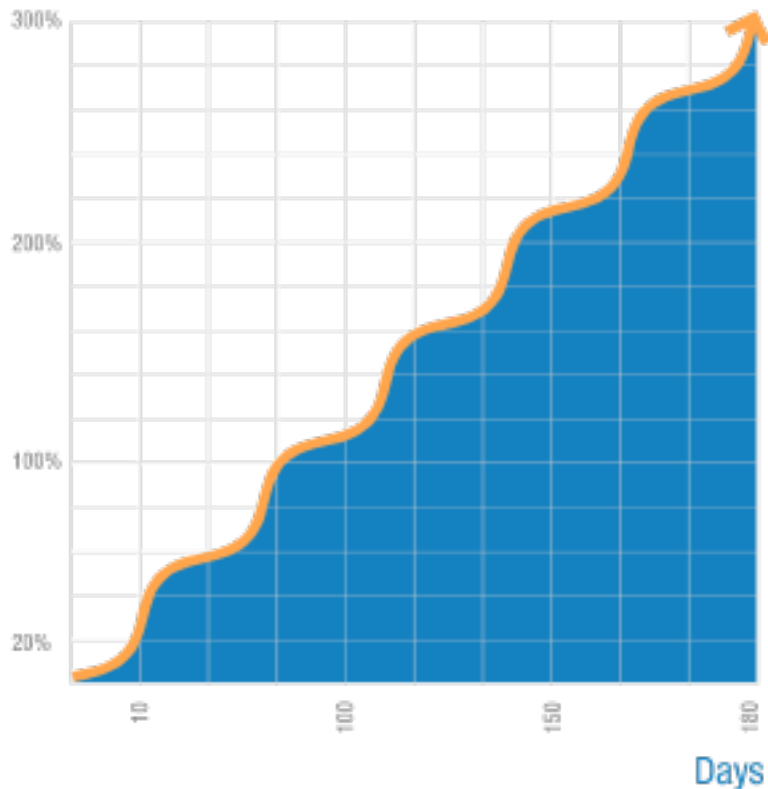

Falcon Coin (FFC) is a lending instrument providing an efficient way to participate in Falcon's volatility software.

Our innovative lending platform is based on Blockchain 2.0 technology – Smart Contracts.

# Why Falcon?

Interest Rate

## Requirements for lending into Falcon are;

- Purchase Falcon Coin in either the ICO or on our Internal Exchange (launching post ICO).

Interest rate earnings will be paid in USD on a daily basis into your USD wallet located on the dash-board.

Users will have the option to convert/withdraw BTC or use the USD to create new loans.

Unlike other platforms, we aggregate all loans and reward you with guaranteed bonus interest daily + the softwares volatility interest.

At the end of 180 days, your principal loan is returned to your USD wallet.
